

Smart In- and Outdoor Clean & Protect

This formulation is pH neutral for an effective but gentle cleaning. It brings high brilliance and leaves a hydrophilic protective film, so that less biofouling can build up and can be washed off more easily. This formulation is free from hazard labeling.

Phase	Ingredient	INCI/ Chemical Description	% w/w	Function
A	Deionized water	Water		
	Xanthan Gum transparent (TER Ingredients)	Xanthan Gum		Thickener
B	Suga® Nate 100 NC (Colonial Chemical)	Sodium Hydroxypropylsulfonate Decylglucoside Crosspolymer		Surfactant
	Suga® Boost 050 (Colonial Chemical)	Water (and) Functionalized Alkyl Polyglucosides		Surfactant
	NOVOTEC® CB800 (Gelita AG)	Gelatin Hydrolysate		Easy-to-clean Additive
C	Hidal S-6P (Daedal)	1,2-Hexandiol		Multifunctional
	Hidal S-8 (Daedal)	Caprylyl Glycol		Multifunctional
